

Newsletter 2019 AUGUST

Back to School with Blackrock Village Centre

With the Summer coming to an end we have everything you need to get ready for Back to School at Blackrock Village Centre. Whether it's a backpack from Onyx, stationery from Art & Hobby, a fresh trim at one of our salons or school lunch supplies from SuperValu, we have you covered, plus much more.

On Saturday 24th August we hope to ease the burden of Back to School shopping and also have some fun. Join our marvellous look-a-like friends Captain America and Spiderman who will be in-centre from 11am to 2pm with some surprises to ensure you have a super Saturday!

Before the holidays start to feel like a distant memory why not get your Summer pictures printed out in Fujifilm Blackrock and don't forget to change back any unused travel currency at our recently opened An Post store!

Back to School doesn't have to be all about the kids, you can still treat yourself to a pamper session at Bushras Beauty Salon or pick up some indulgent new products from L'Occitane or Lloyds Pharmacy Blackrock. We especially love the new Bellamianta bronzing powder from Lloyds Pharmacy Blackrock, perfect for making the holiday glow last a bit longer! And if that's not enough you can grab a delicious coffee or bite to eat at one of our eateries or try out the recently opened Surf'n'Fries!

See reverse for some of the current retailer and store offers or follow us on Facebook for regular updates and ensure you don't miss a bargain! And don't forget to check out this month's recommended read by Dubray Books. Perfect for relaxing after work or while the kids are back at school!

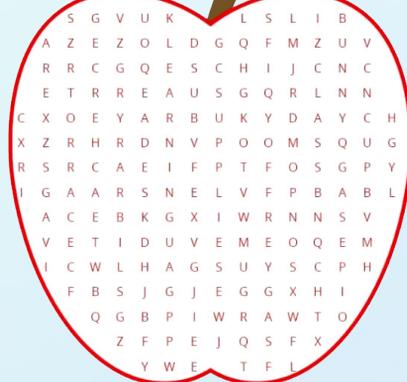

SUPERHERO SATURDAY

**SATURDAY
24TH AUGUST
11AM-2PM**

€14.99

Reapy's stunning debut, *Red Dirt*, took us around Australia. Her latest offering, *Skin*, takes us all around the world: from Bali, to Peru, to the West of Ireland. Natalie attempts to escape her problems through travel. But insecurity and disordered eating plague her. There's a saying: no matter where you go, there you are. This is true for Natalie, whose journey is an inner one. It also applies to the reader, who will feel fully there, wherever this book goes.
