

Newsletter 2020 JANUARY

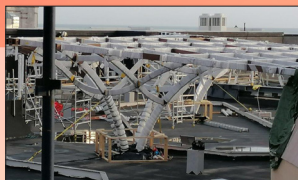

DIFFNEY UNVEILS STUNNING NEW LOOK

We were delighted and very excited to have seen the fantastic new-look and much bigger Diffney store open just before Christmas. You can tell by these stunning images that the wait was well worth it for this elegant and classy interior fit-out. We cannot recommend highly enough that you visit it for yourself. All of this of course was hot on the heels of the recent openings of chic new-look stores from Lisa Perkins and Julia Rossini. You can expect to see more stylish openings soon.

ROOFING MATTERS

Here's a glimpse of the centre's spectacular new roof structure taking shape; it's a huge milestone in the development of the centre. It's a spectacular 'Tree shaped' roof that will give Blackrock Centre a distinctive look and character.

FOR YOUR CONVENIENCE

As part of the centre's development works, we wish to let you know that our public toilets facilities have been temporarily relocated to beside the main Frascati Road entrance to the centre.

UPPER CAR PARK NOW OPEN

You will also notice that we have reopened our redesigned Upper Car Park. The additional spaces are making it more convenient to park and shop and is part of the redevelopment of the centre.

THANK YOU CUSTOMERS!

A huge thank you to our brilliant customers who raised over €2238 for LauraLynn Ireland's Children's Hospice over Christmas. Our thanks also goes to our friends in J&C Hendrick for supporting this worthy cause.
